Subject: Resignation Notice

Hi Jay Joshi,

I hope you're well.

I am writing to formally resign from my position as Flutter Developer at Unique InfoTech.

This decision was not easy, and I have greatly appreciated the opportunities for professional and personal development that Unique InfoTech has provided me during my time here. I am grateful for the support and guidance I've received and have enjoyed working with such a talented team.

To ensure a smooth transition, I am committed to assisting with the handover of my responsibilities and training a replacement if needed. Please let me know how I can help during this transition period.

Thank you once again for the opportunity to be part of Unique InfoTech. I look forward to staying in touch and wish the team continued success.

Best regards,
Vinay Jadav
